

KENYA MISSIONS NEWSLETTER, SEPT 2023

Hello dear sponsorship family,

In the past week we participated in not one but two family weddings. As we prepared for the giving away of a daughter and the receiving of a new niece, I was in reflection of the words spoken during the ceremonies. "What God hath joined together, let no man put asunder." The importance of linking oneself to the things God joins us to is more than a simple decision, it is rather a solemn oath. Now, I recognize that the choice to sponsor orphans or underprivileged children is not at the same level of importance as marriage, nor is it a covenant, but it is one that I know each of you have taken seriously and with much prayer. So, no matter where life's journey takes us, I am confident that each of you will continue to support your child with much prayer and love, as well as your monthly giving. With a very sincere heart we want to express our immense gratitude and love for all of you.

Praise reports:

- We have finished the construction of the new school as well as the guard shack, gate, latrines, offices and kitchen. So, the new school officially opened 3 weeks ago as the children returned from a 2 week semester end break. There will always be things to work on (painting, repairs, maintenance...) but it is a big relief to know that this huge task is completed.
- All child profiles have been picked up or mailed out. If you have not received yours yet, please let Kimberly know so that others can be made and delivered.
- We continue to rejoice that the monthly sponsorship is covering every child and that our students are receiving the best education in the area with test scores to prove it. Thank You Jesus for Your favor!

Prayer:

- Pray for God's favor and grace to be poured upon our staff, administration and board members as they serve the Abbott Christian Academy and the children. Pray specifically for Director Godwin Wafula as he is back in the hospital and receiving radiation treatments for lymphoma. Pray for his healing, stamina, family and provision for these expensive and painful treatments.
- Pray specifically that the spirits of corruption and poverty be broken in Kenya.
- Pray for our children to have a hedge of angelic protection around them. Sex trafficking, and trauma to children is often in today's news. Third World nation children are in the highest percentage of those at risk. We must keep them in our prayers. Also, pray against any sickness or disease from attacking our kids. Also, pray for them as they prepare for their scholastic achievement tests next week.
